

Abdul Samad Afridi

STUDENT

PROFESSIONAL SUMMARY

A Software Engineering student passionate about Artificial Intelligence and technology-driven innovation. Skilled in Python, Deep Learning, SQL and creative problem-solving. Seeking opportunities to collaborate and push boundaries in the evolving tech landscape.

PERSONOL INFORMATION

Father Name: Jan Akbar

Phone No. 03334004970

Email : isamadafridi@gmail.com

LinkedIn: [linkedin.com/in/isamadafridi](https://www.linkedin.com/in/isamadafridi)

Maratial Status: Single

Location: F10 Phase 6 Hayatabad
Peshawar

EXPERIENCE

AKTI IMSciences

Technical Team Member

June 2025 - Present

Strings Technologies Pvt Ltd X NAVTTIC

Artificial Intelligence Traning

March 2025 - july 2025 (5 months)

SKILL SUMMARY

Python	Intermediate
OOP	Intermediate
SQL	Beginner
Git & Github	Bigginer
XML	Bigginer
EDA	Intermediate
Pandas Library	Intermediate
Data Pre-Processing	Intermediate
Data Visulaization	Intermediate
Markdown	Intermediate
Deep Learning(CNN)	Beginner
C++	Beginner

PROJECTS

Netflix Exploratory Data Analysis

Car Price Predetection

House Price predetection

pneumonia Classification

Malaria (in progress)

CERTIFICATE

Diploma Of Information Technology (DIT)

One Year Diploma

2022-2023

Basics of AI Python Coding

Deeplearning.ai

Six Months Of AI and Data Science

Mentorship Program

Codanics (Youtube)

Git & Github workshop

[Arfa Karim Technology Incubator\(ImSciences\)](#)

EDUCATION

Institute of Management Sciences

Bachelor in Software Engineering

2022- In Progress (7th Semester)

Islamia College Peshawar

Intermediate in Pre-Engineering

2019-2021

Afridi Model School and College (Bara Campus)

Matriculation in Science

2016-2019

LANGUAGE

- English
- Urdu
- Pashto

HOBBIES

- Photography
- Photo Editing
- Chess Game
- Badminton Game
